

# Chibi Seraph

By Android raptor

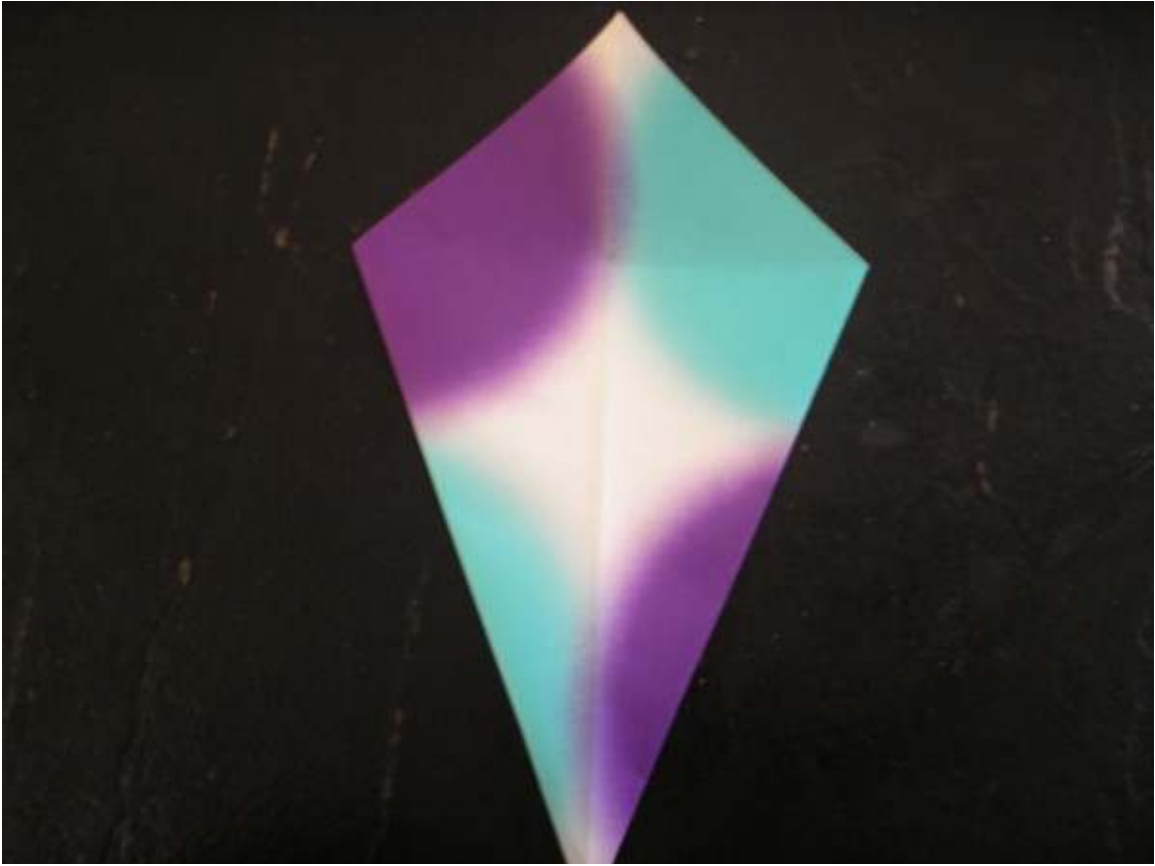

My Easter gift to all you origami people ;)

1. Begin with a square, white side up.

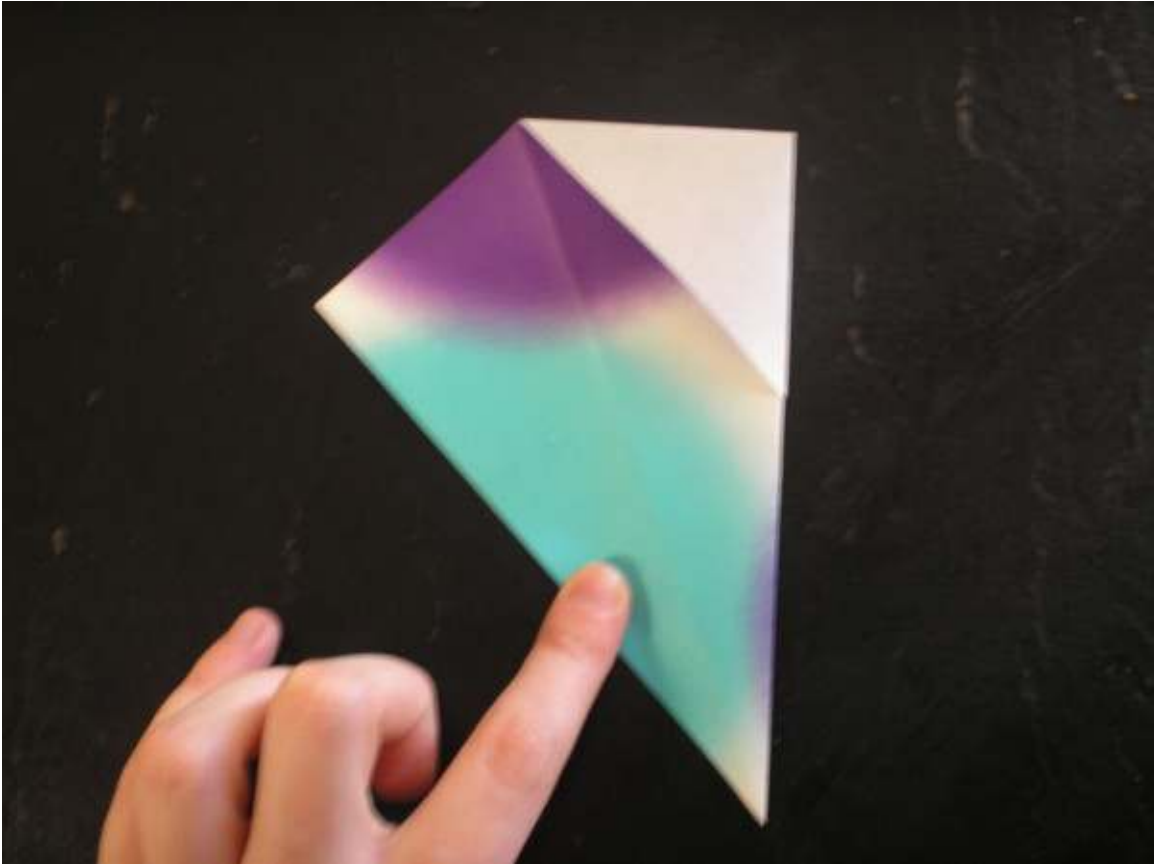

2. Fold a kite base.

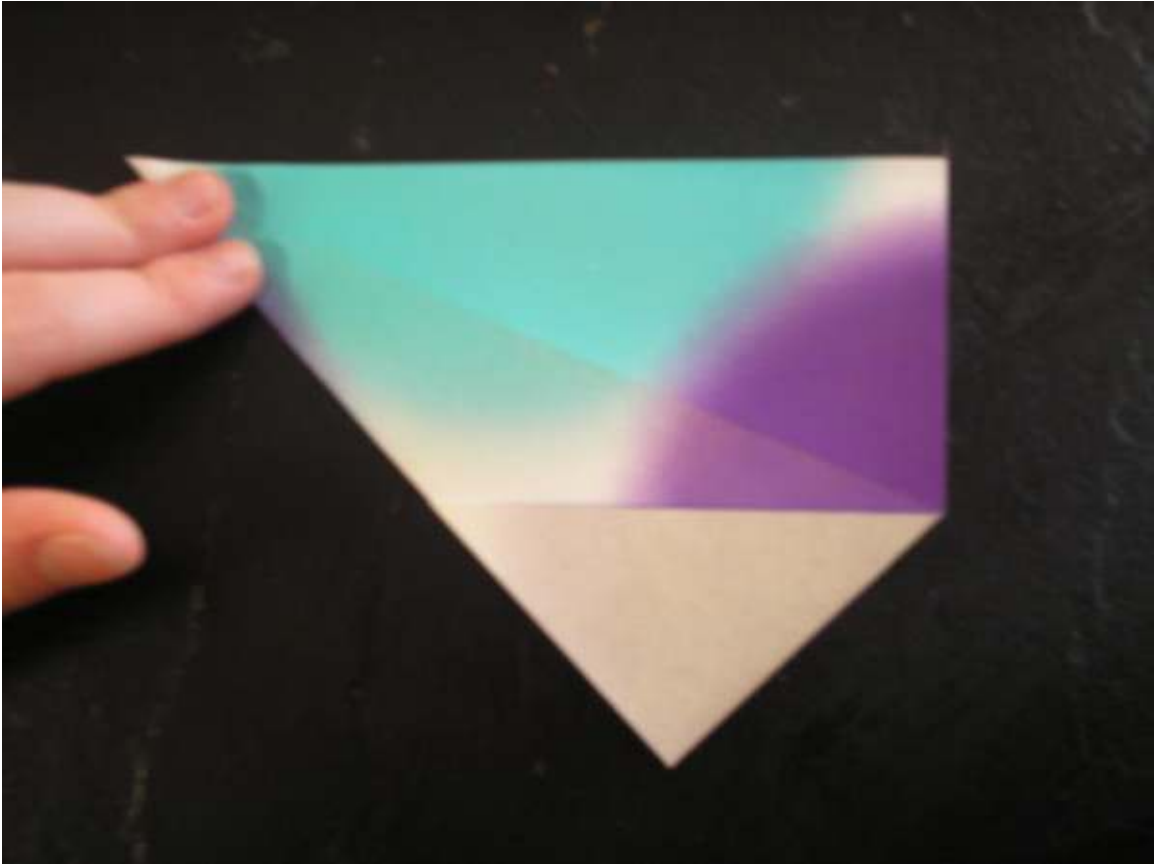

3. Turn the kite base over.

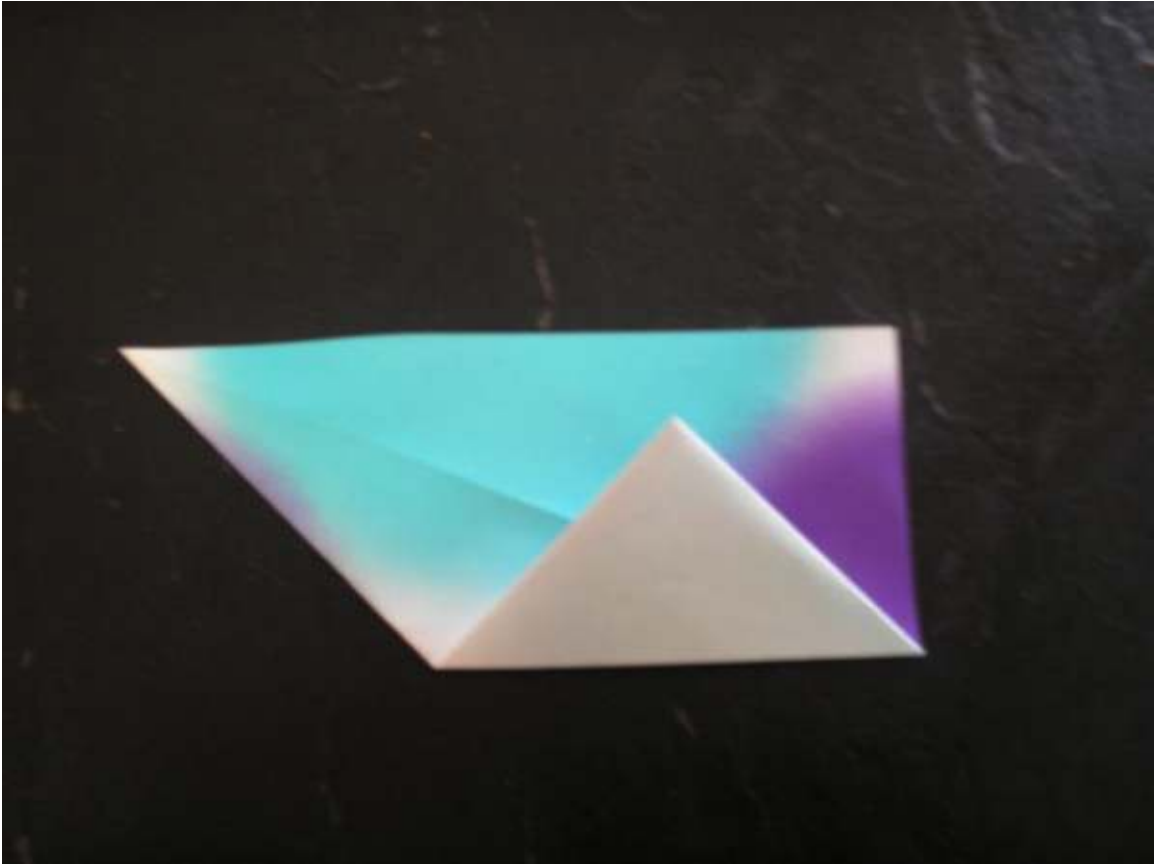

4. Fold the top flap down as shown.

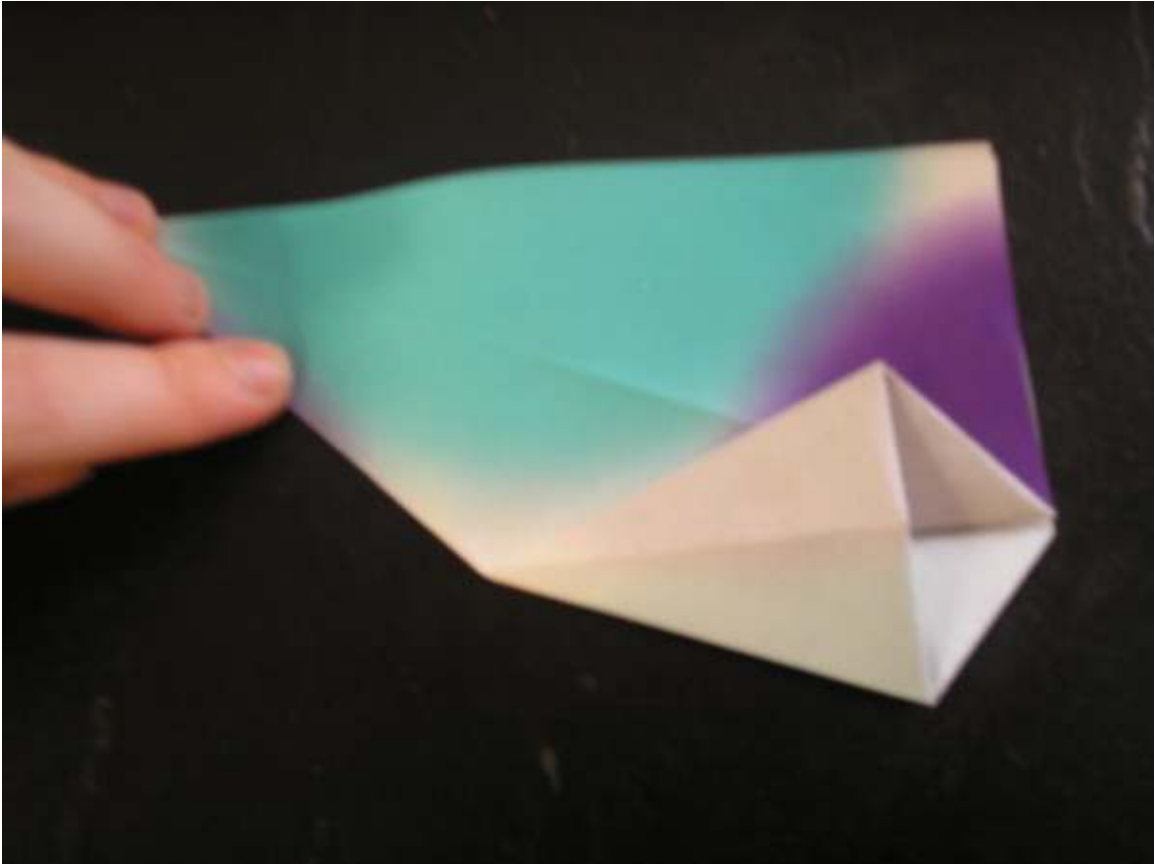

5. Unfold everything except the top flap and fold in half.

6. Rotate the model.

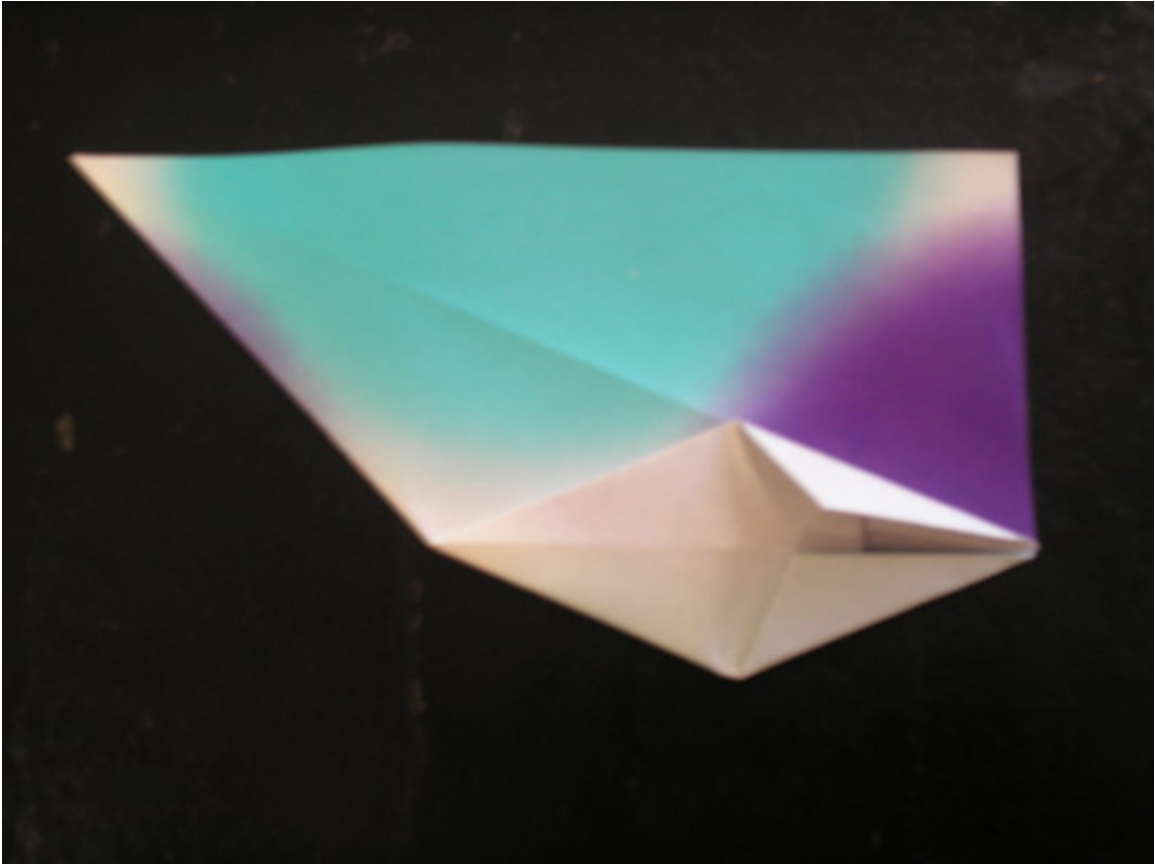

7. Fold the white part up as shown.

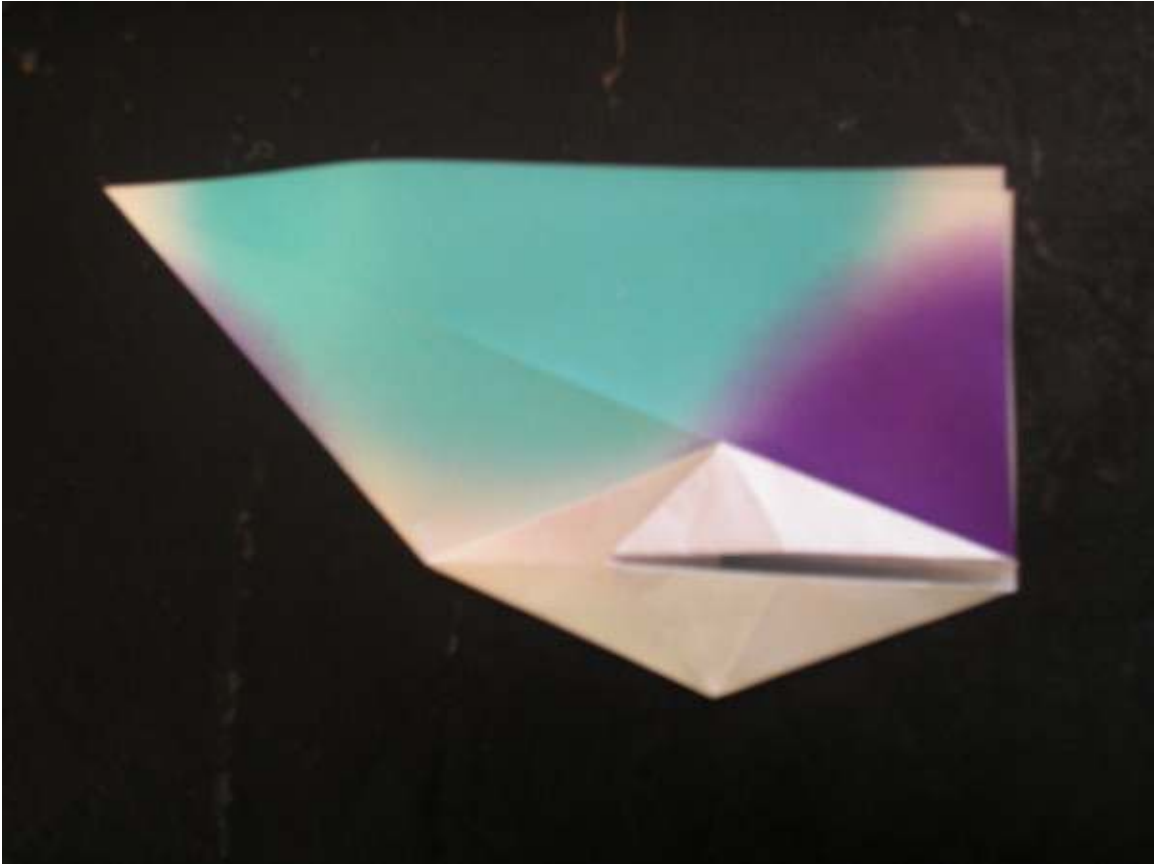

8. Squash fold.

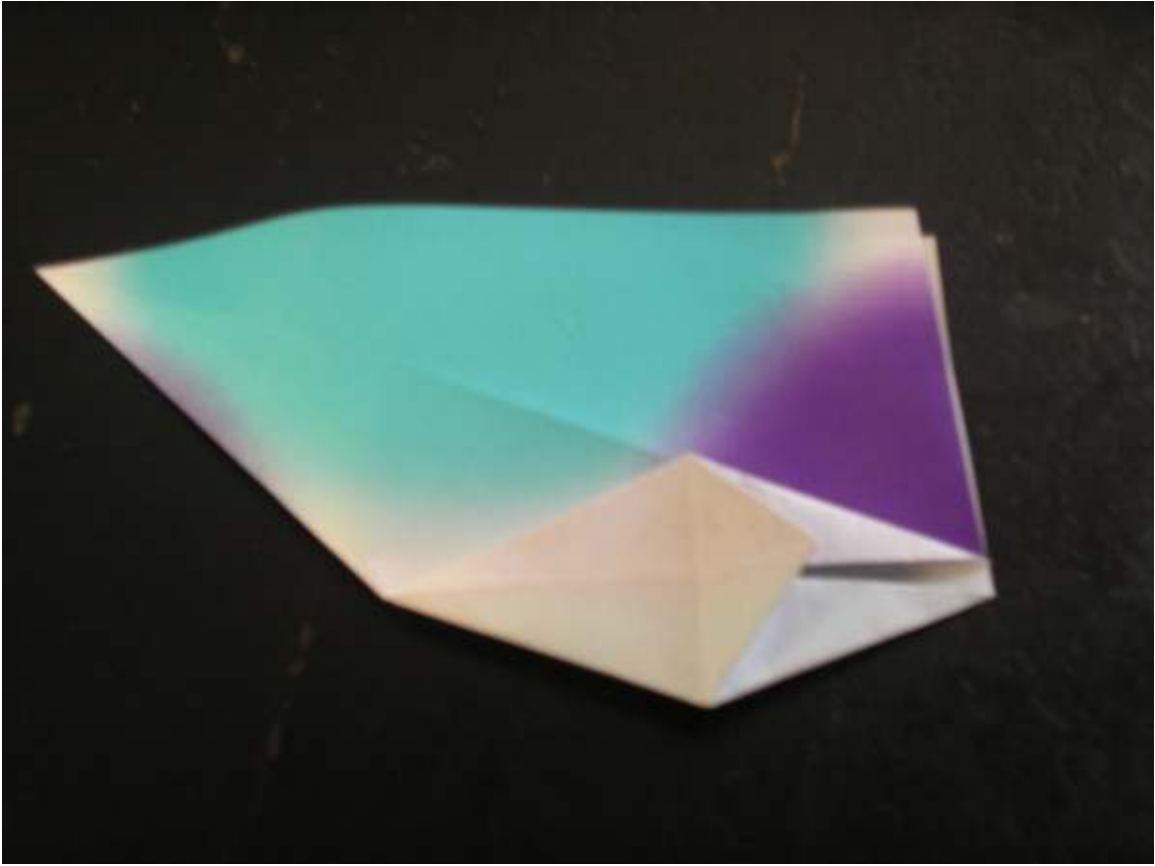

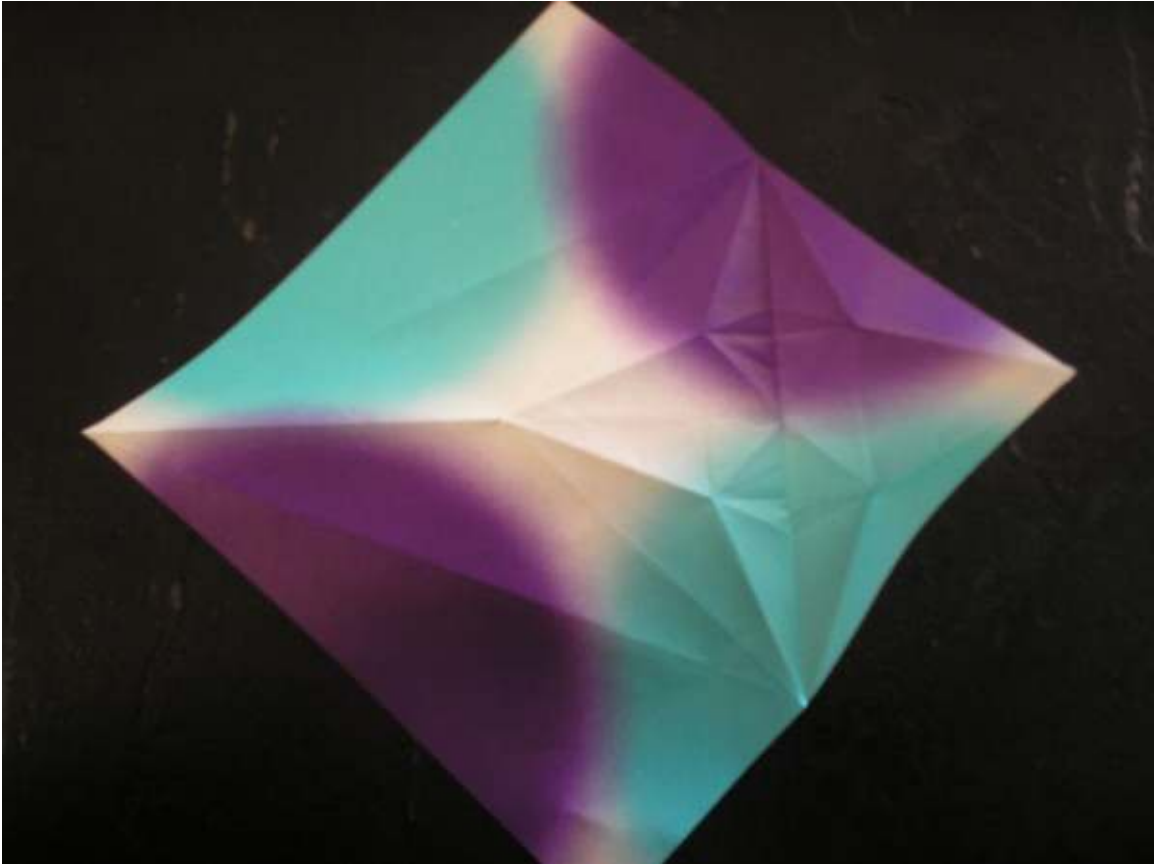

9. Fold the side flaps to the center,

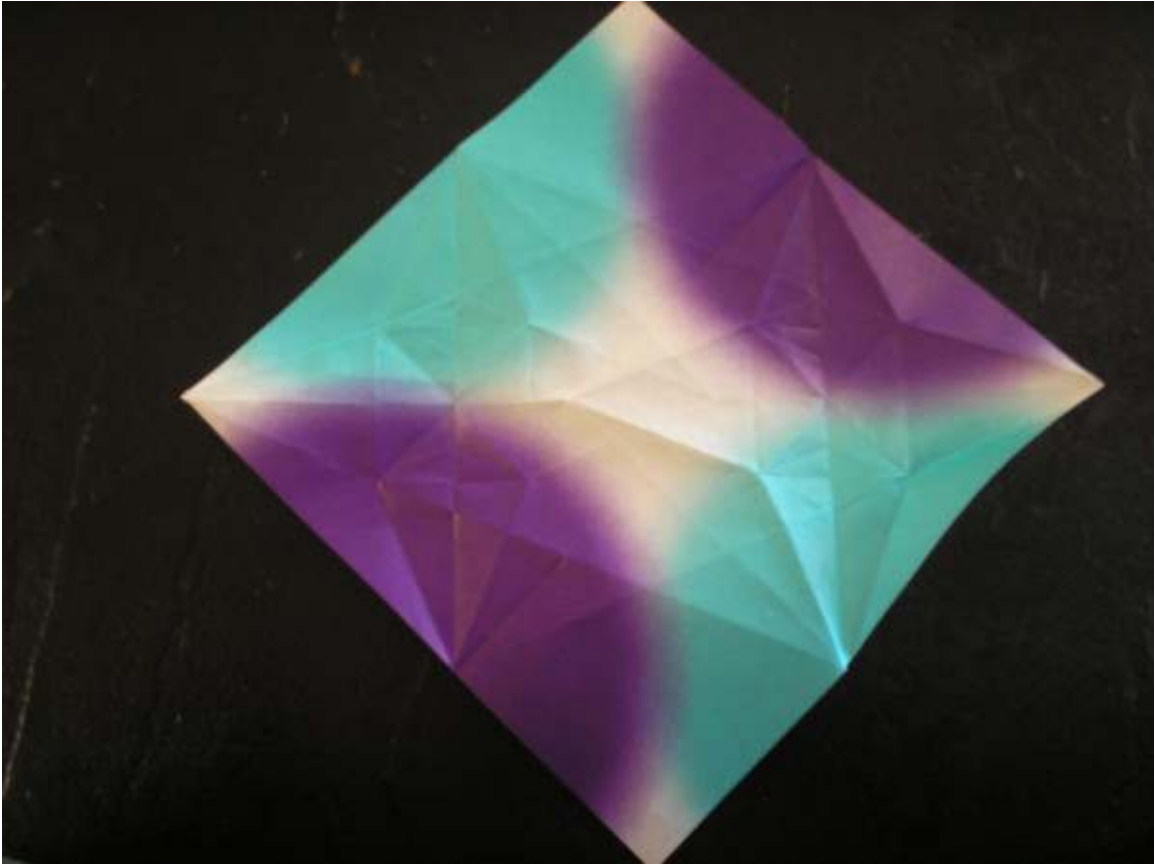

10. Petal fold.

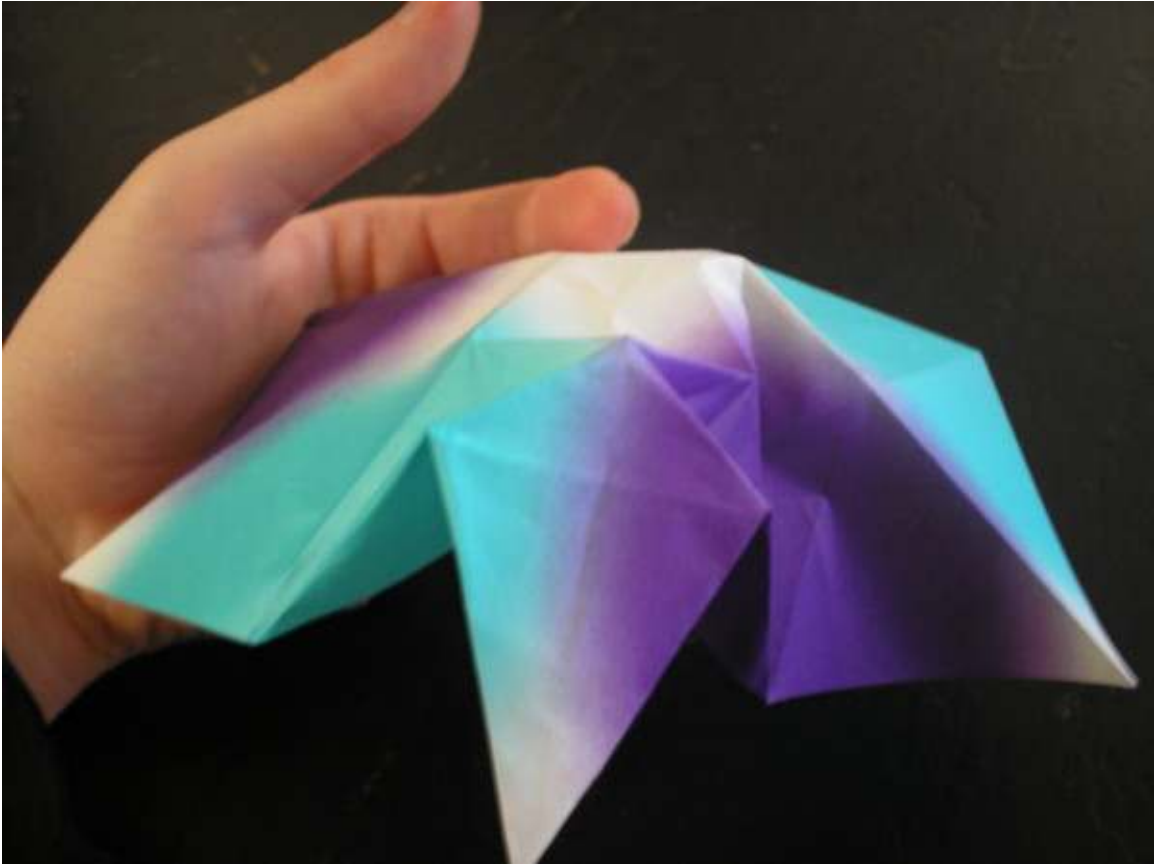

11. Fold the middle flap down. Crease well.

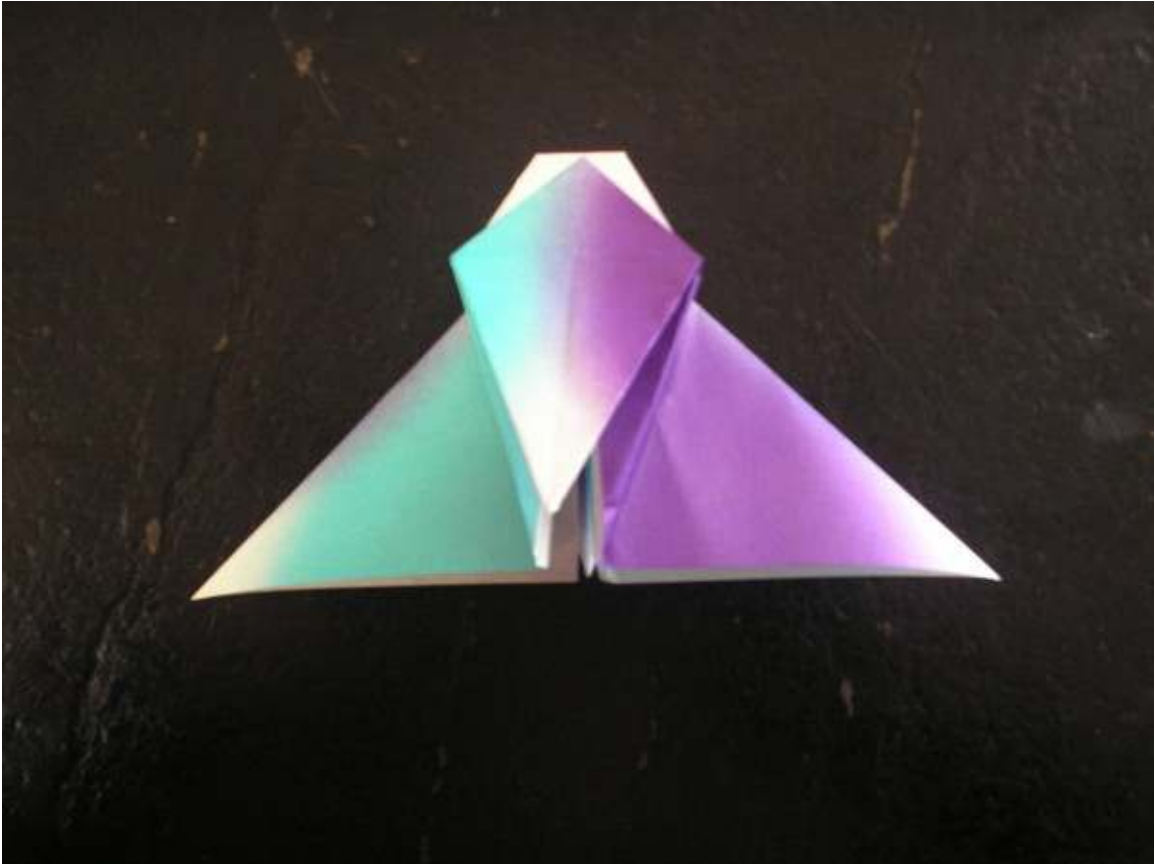

12. Unfold completely.

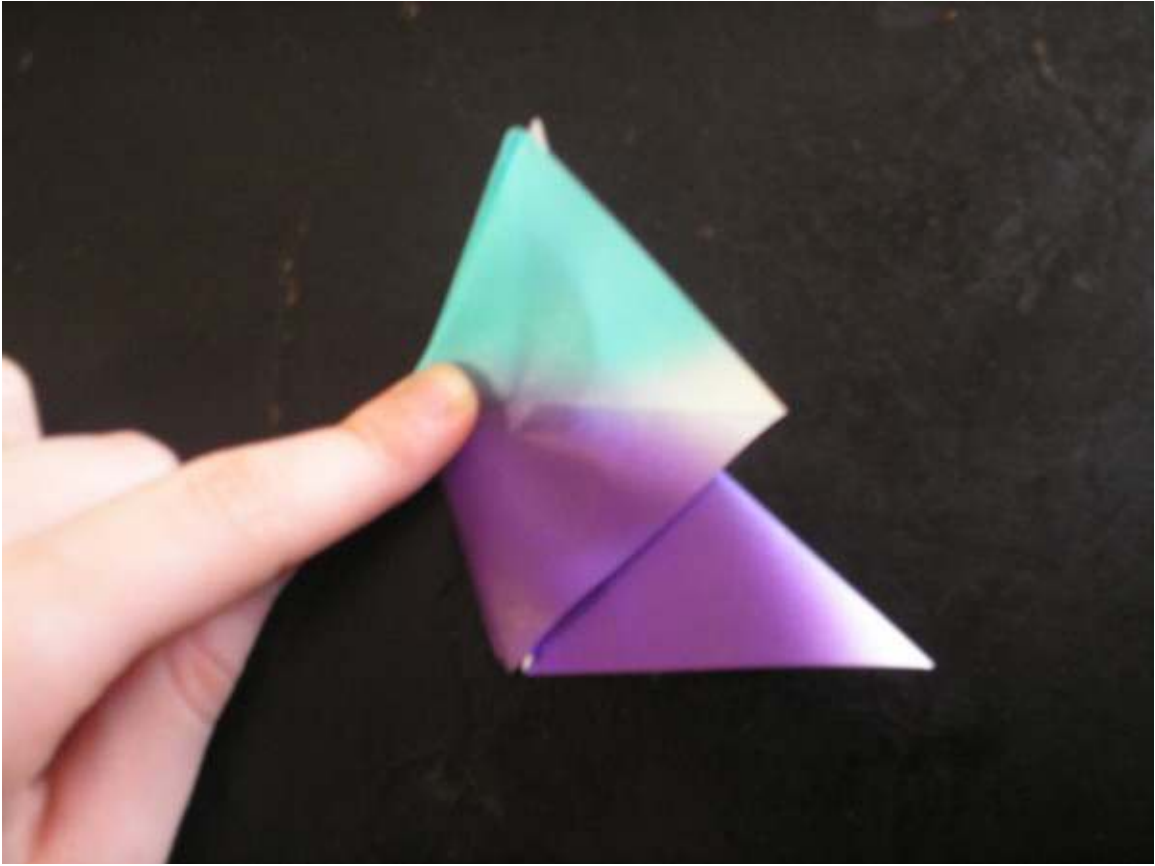

13. Repeat 1–12 on the other side.

14. Tricky part! Collapse along the creases, forming a sort of dual bird base.

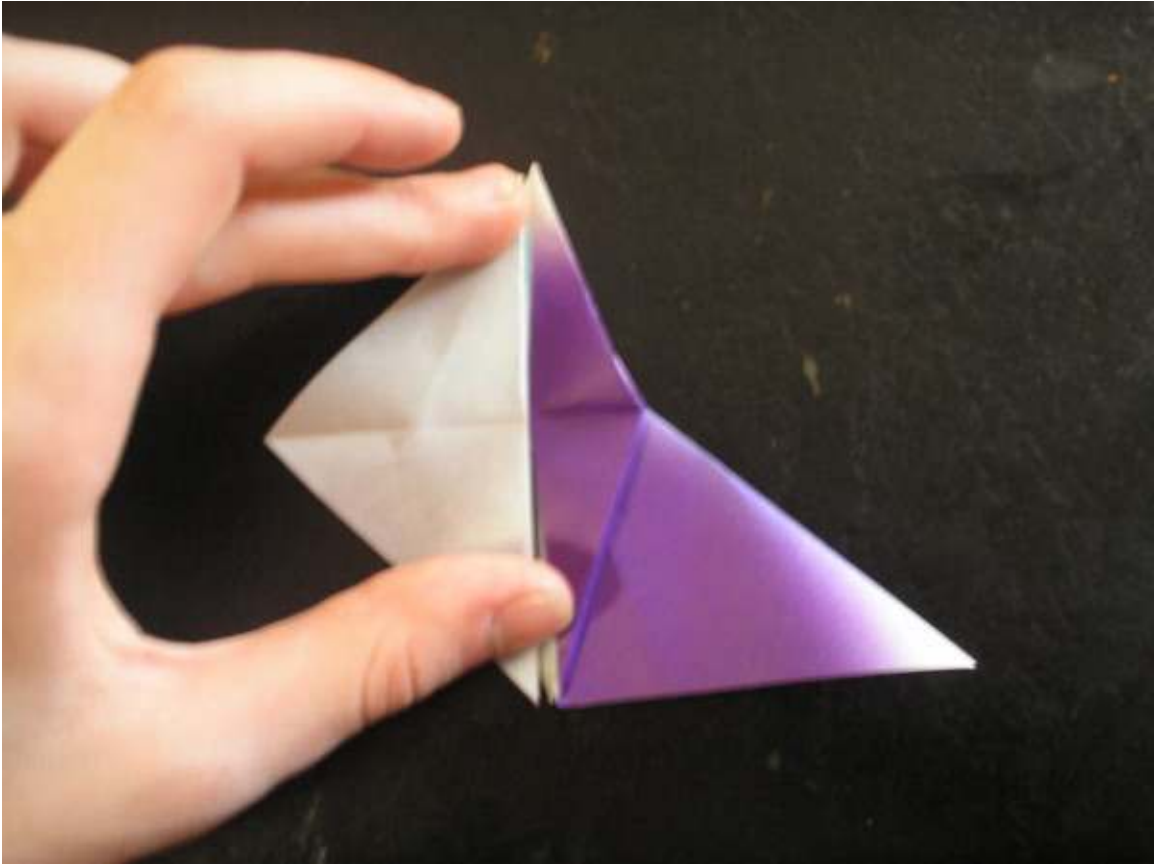

15. The result of 14.

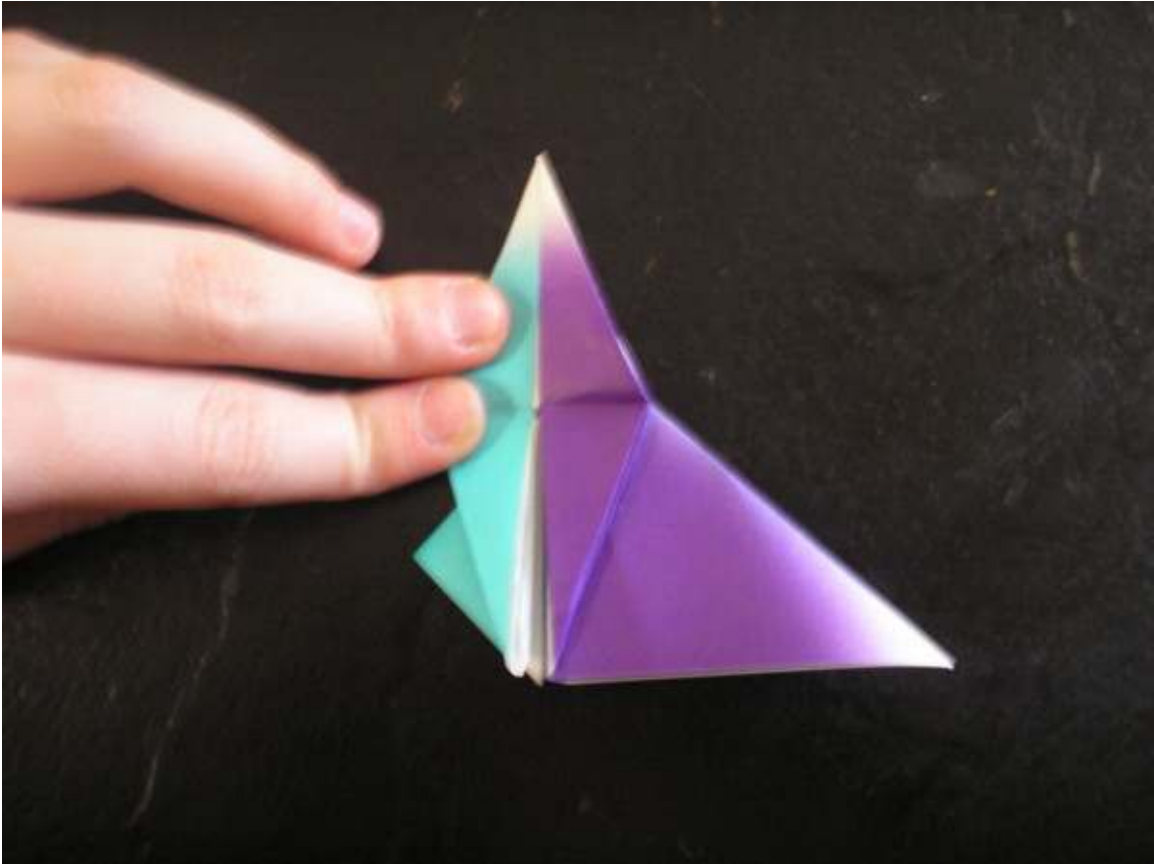

16. Lift up a bottom point and squash the large flap as shown.

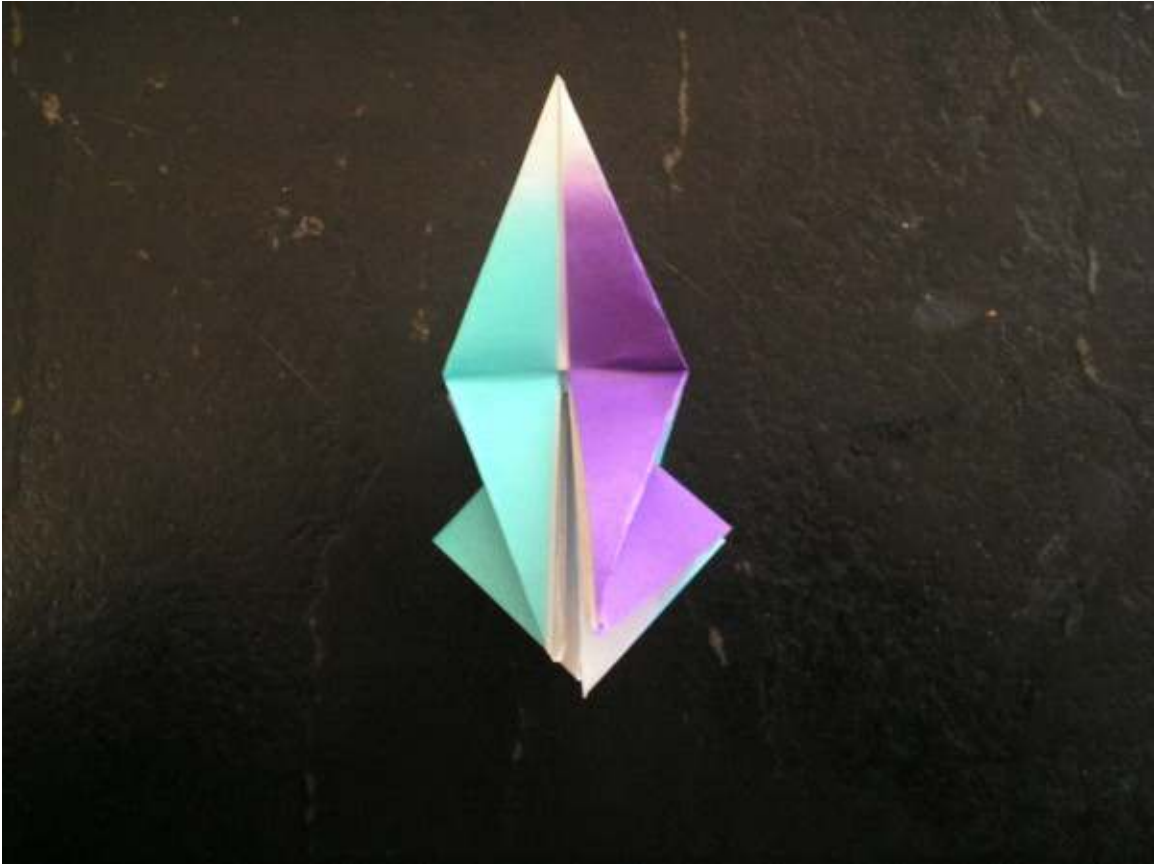

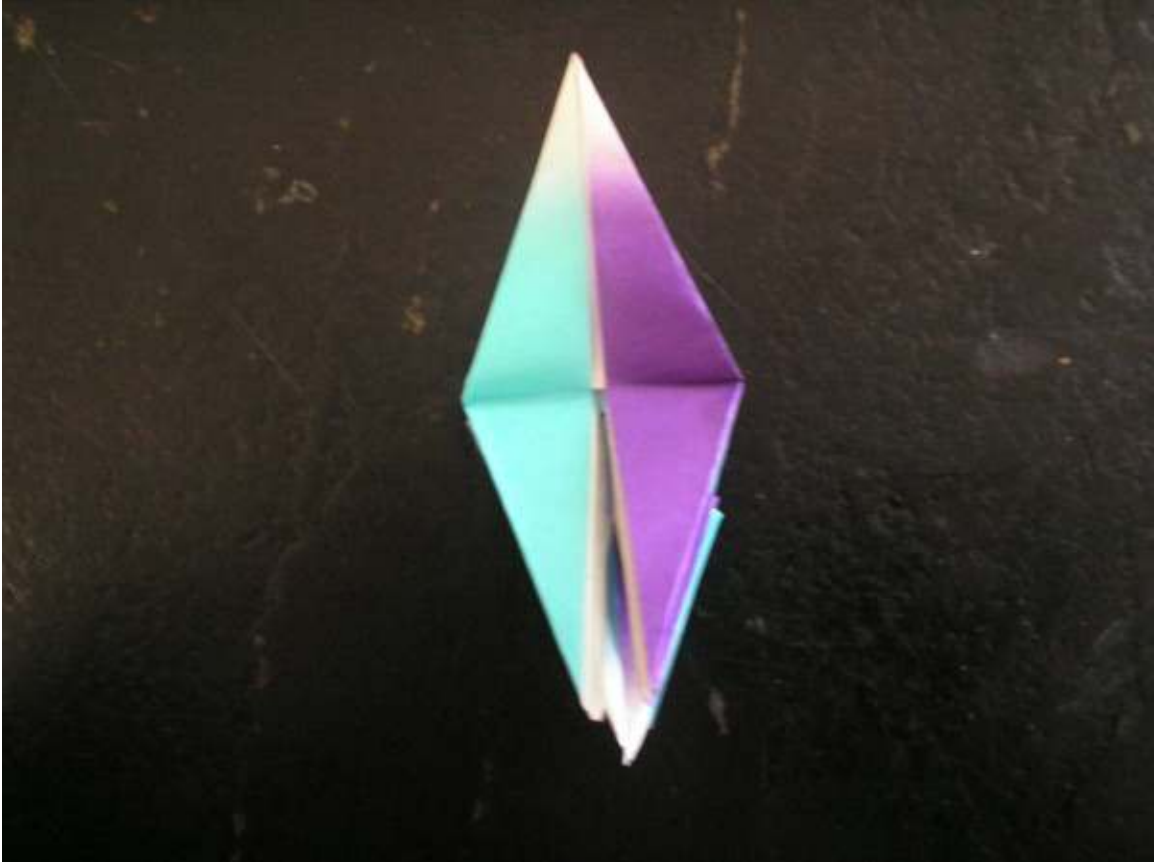

17. Fold the flap to the side.

18. Reverse fold the point as if you are forming a preliminary base.

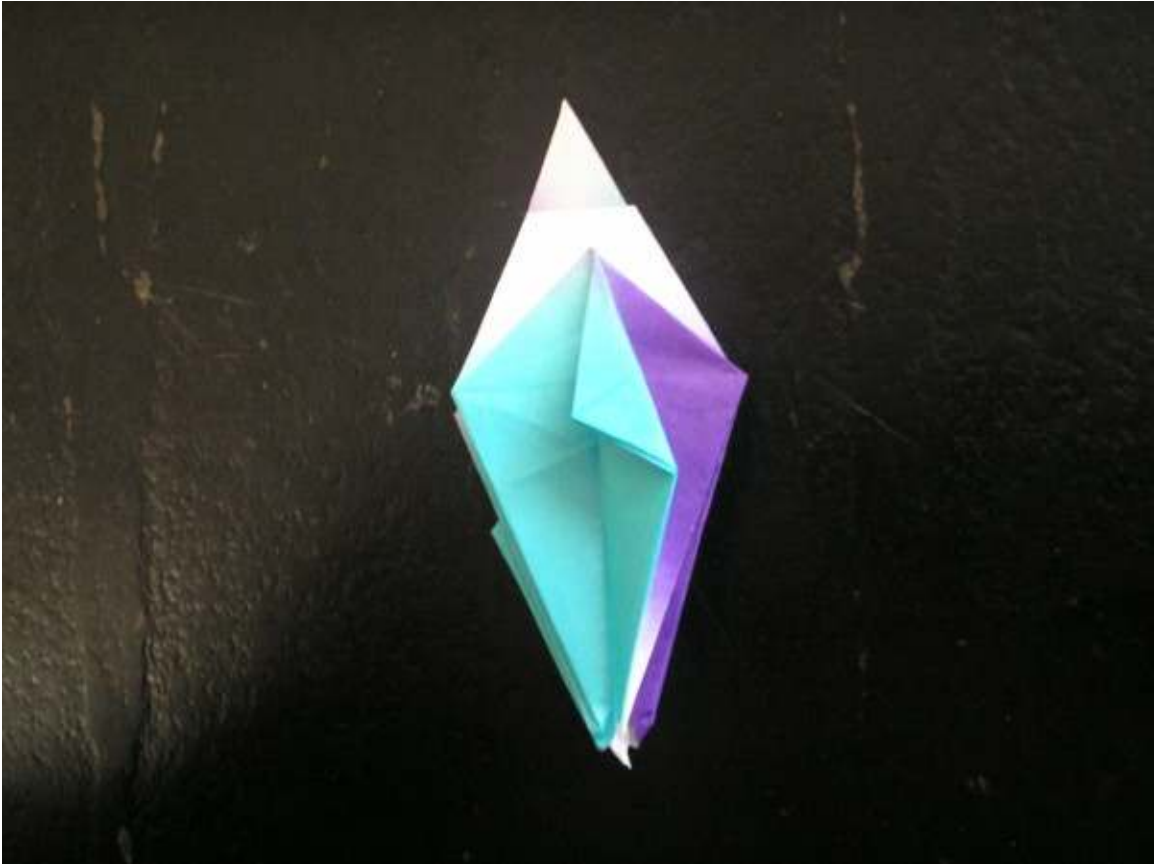

19. Repeat 16–18 on the other point.

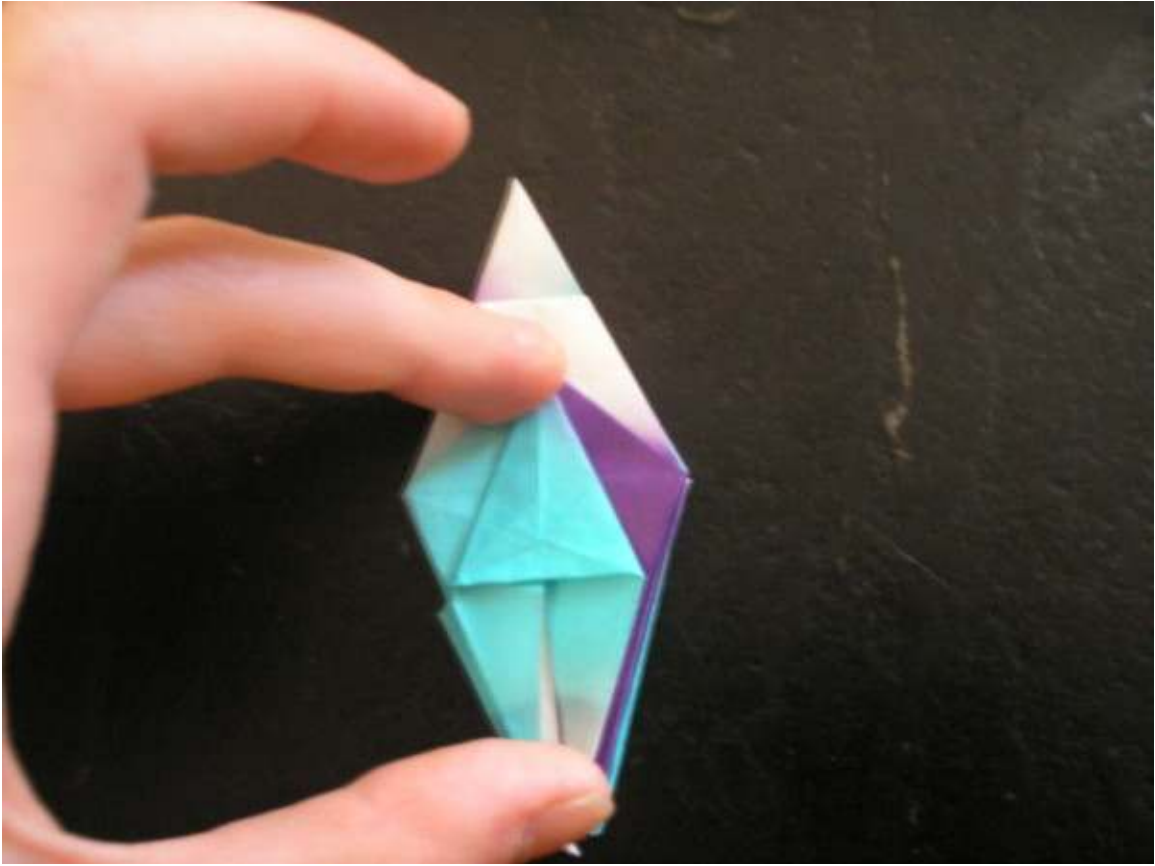

20. Reverse fold the four side flaps inside.

21. Flip the model over.

22. Turn one of the lower flaps to the right and crease as shown.

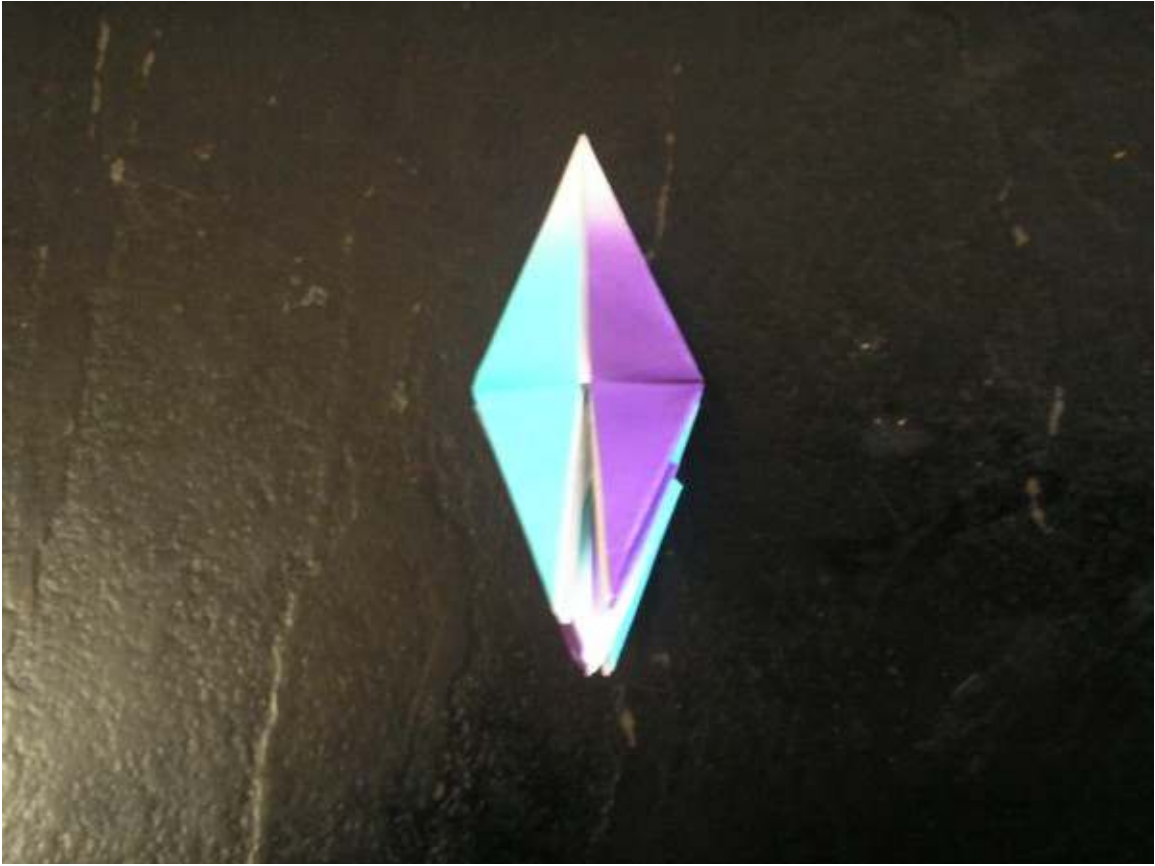

23. Squash along the crease you just made.

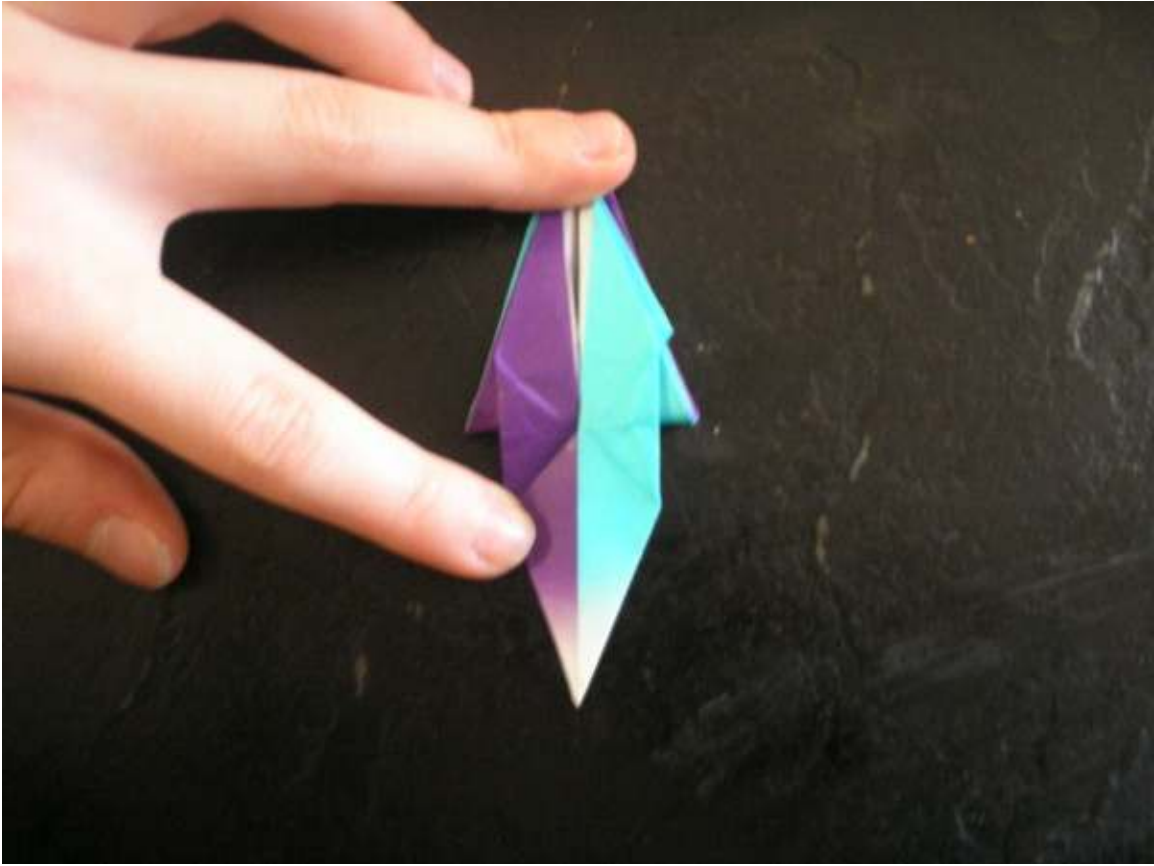

24. Repeat on the other side.

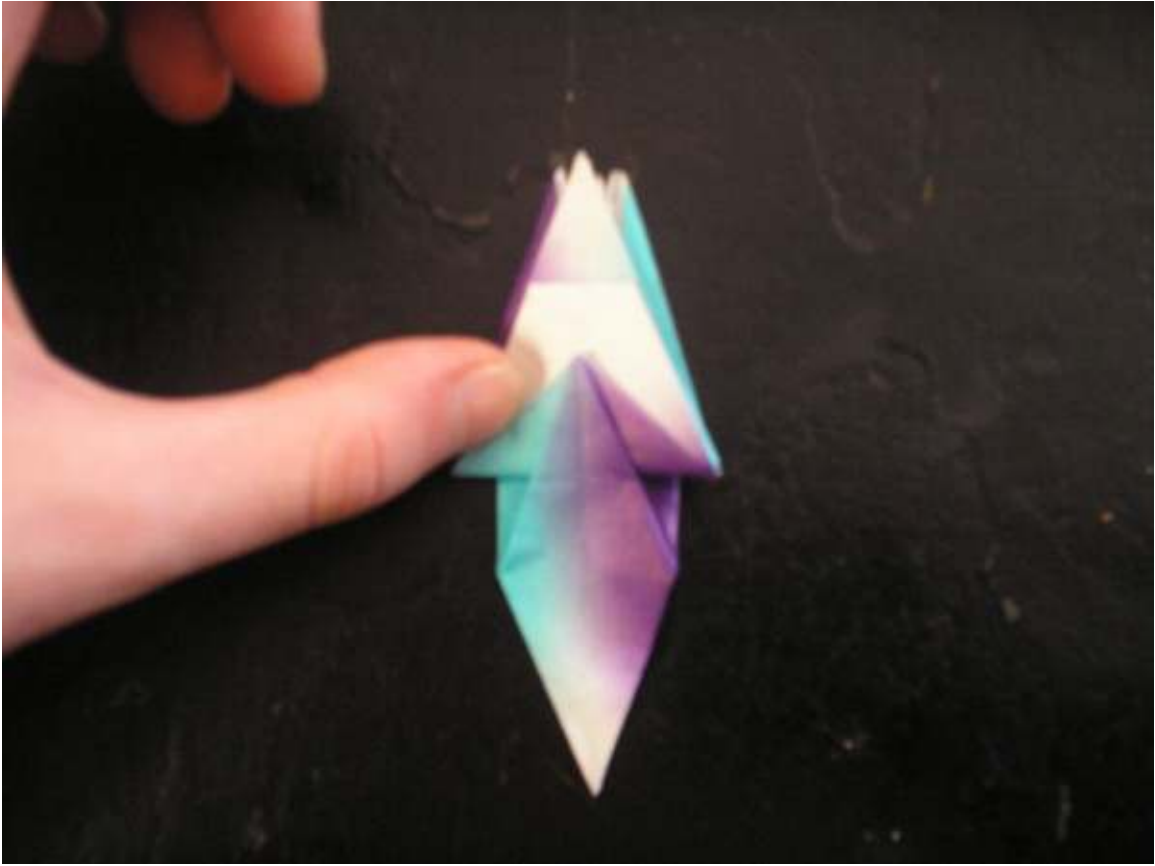

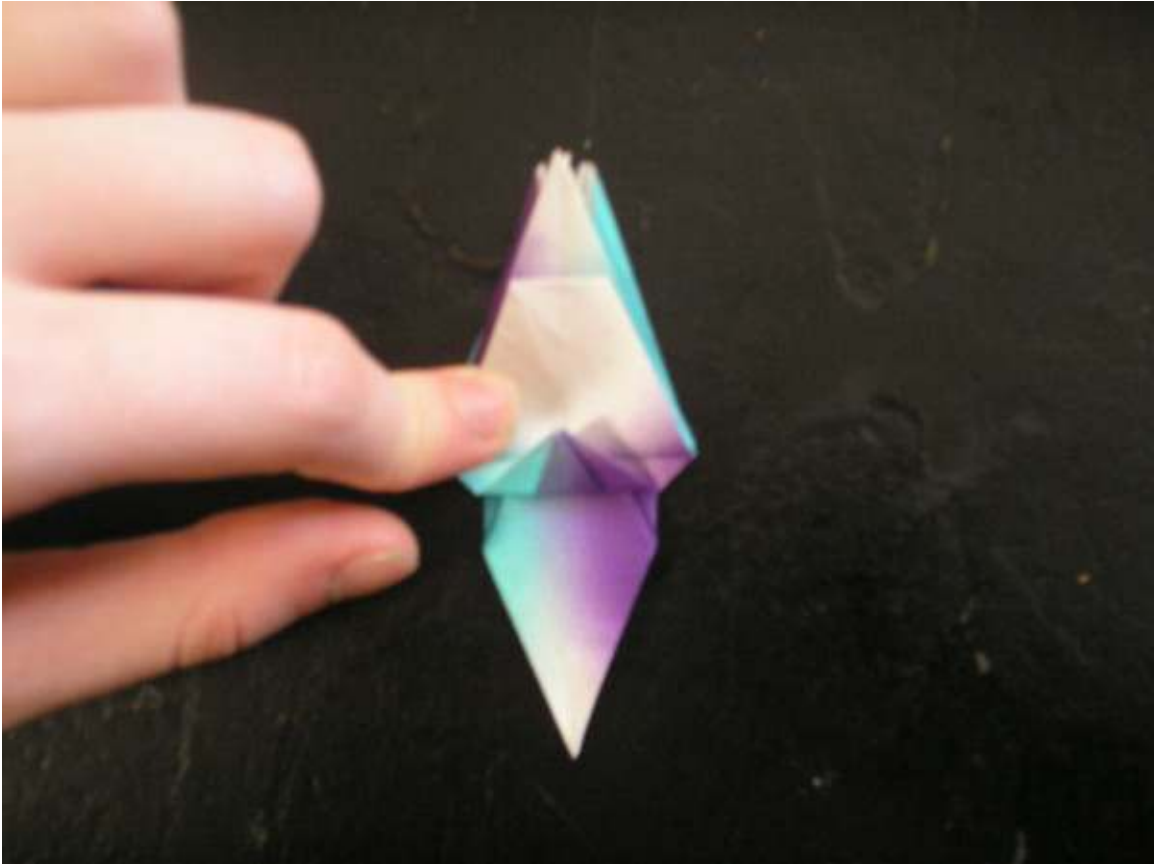

25. Turn the model over again.

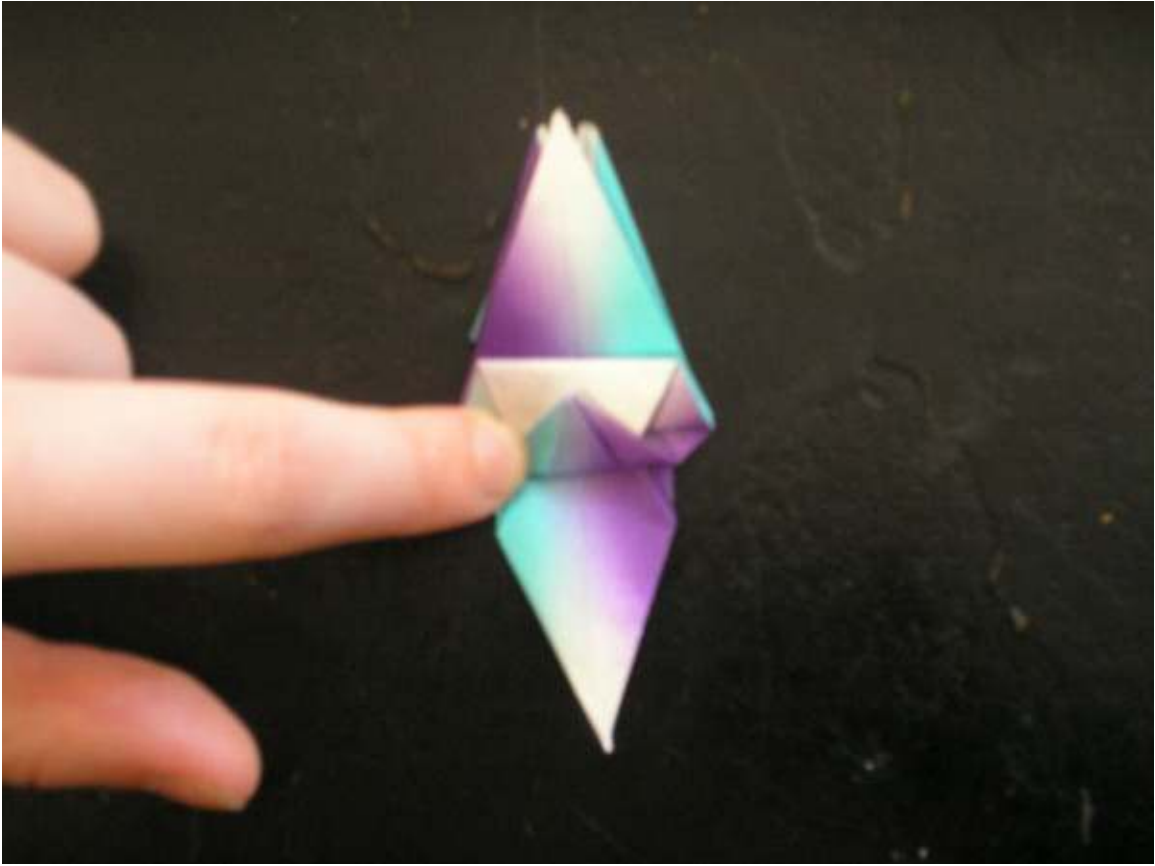

26. Fold the bottom points up as far as they will comfortably go.

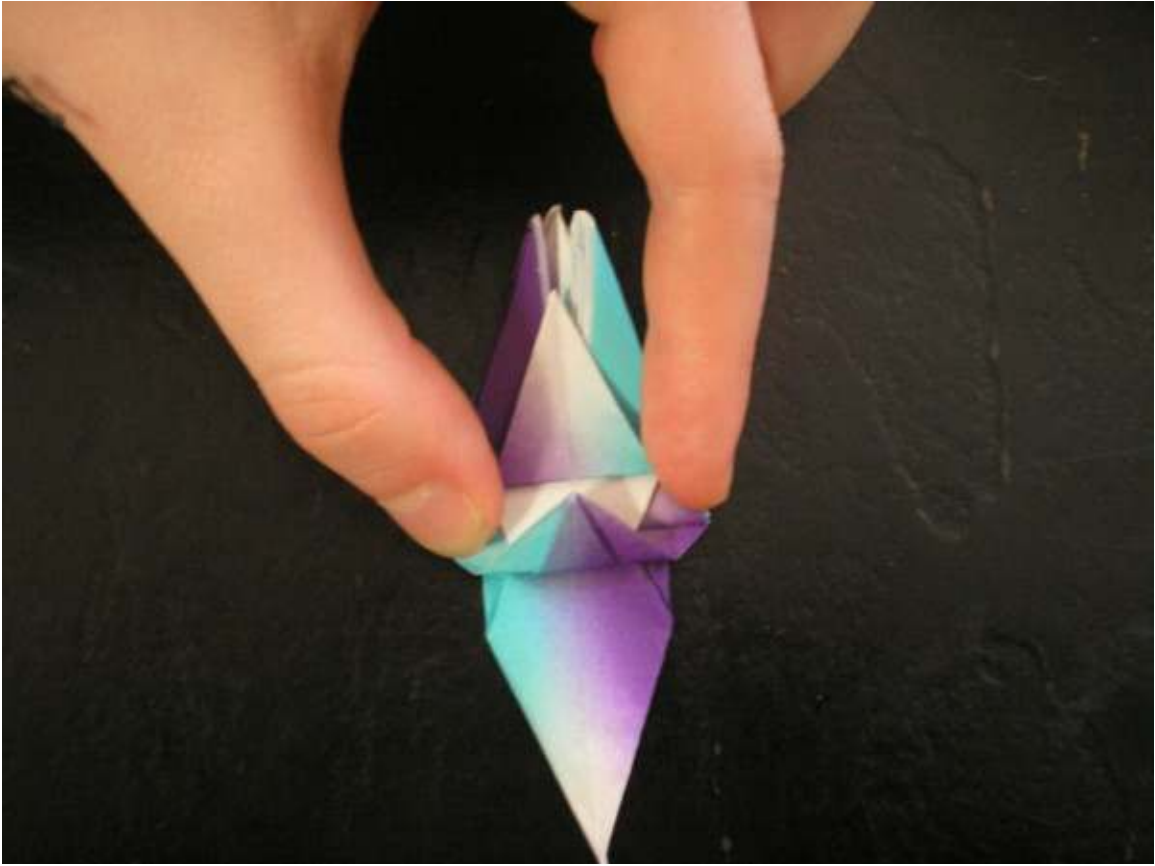

27. Turn the model back over.

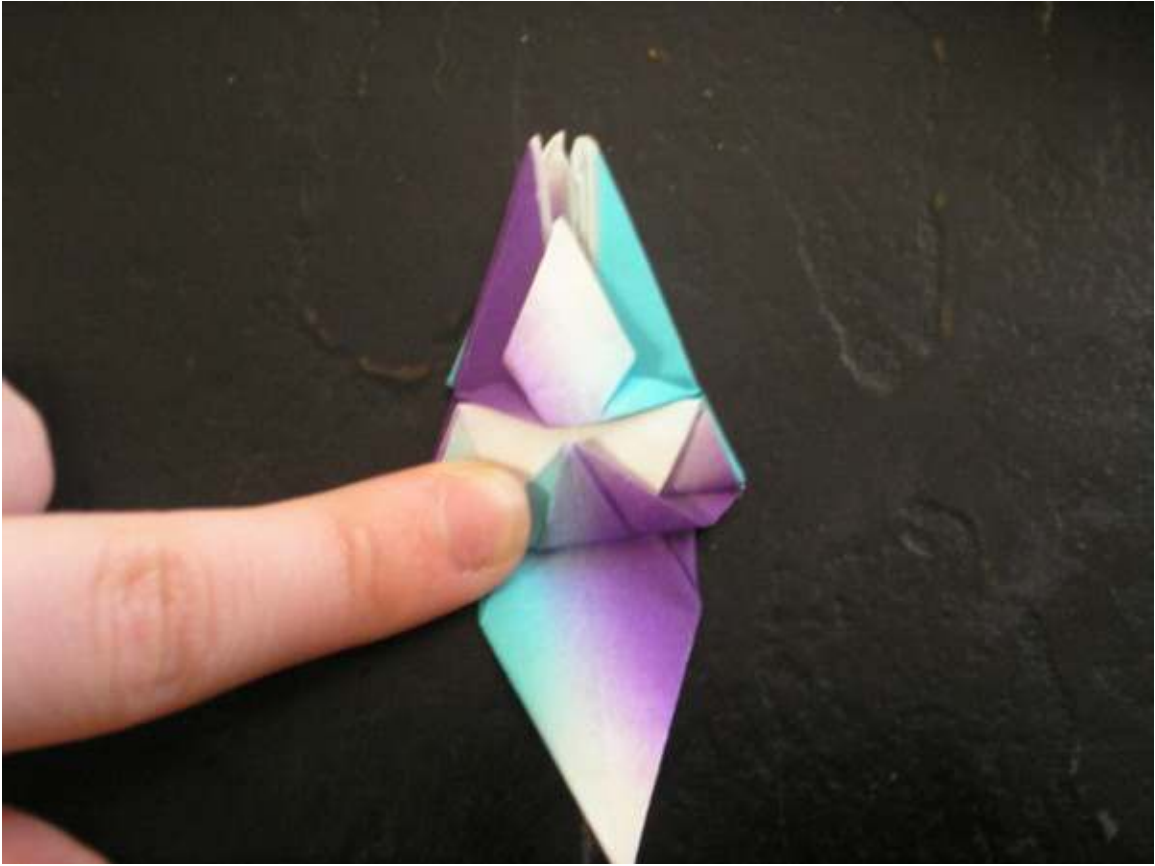

28. Fold the middle flap down, then a bit up like so.

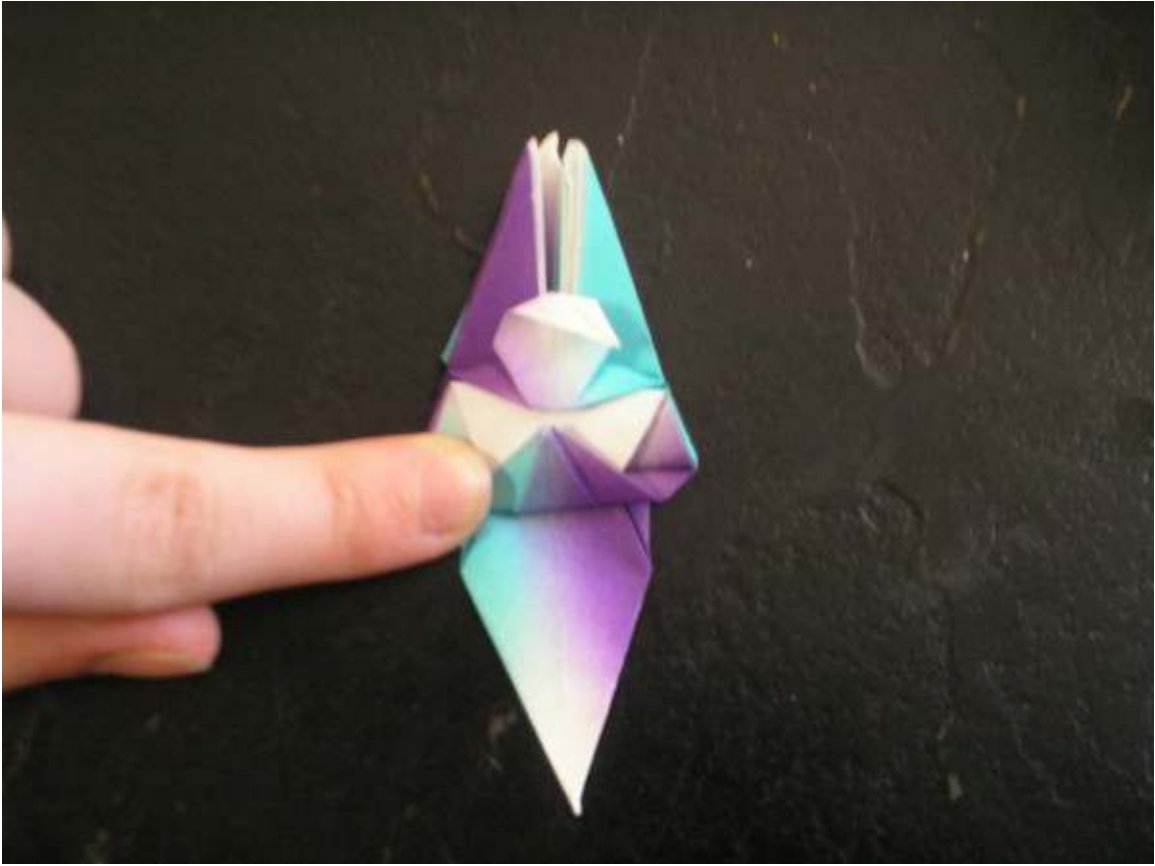

29. Fold the square-ish flap above it down to meet the edge of the middle flap.

30. Pleat the top flap along the edge of the square-ish flap.

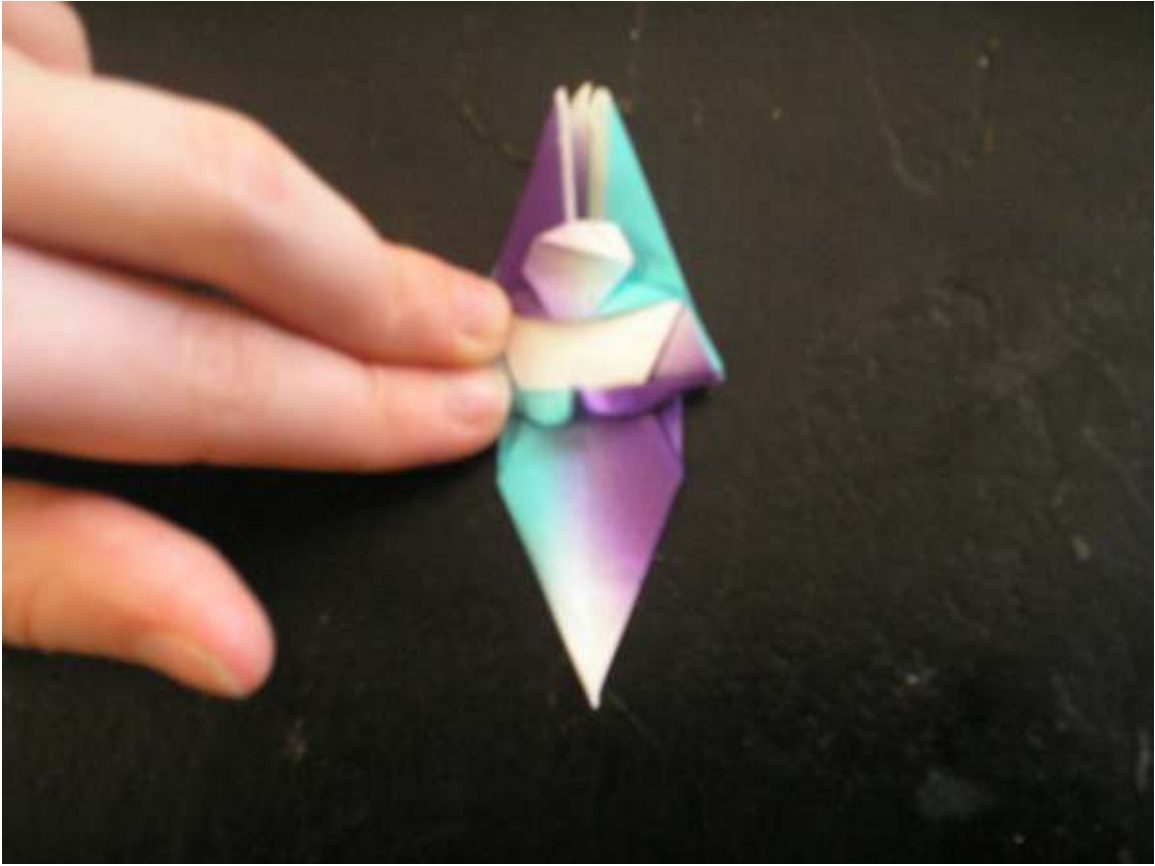

31. Reverse fold the edges of the top flap, shaping the head.

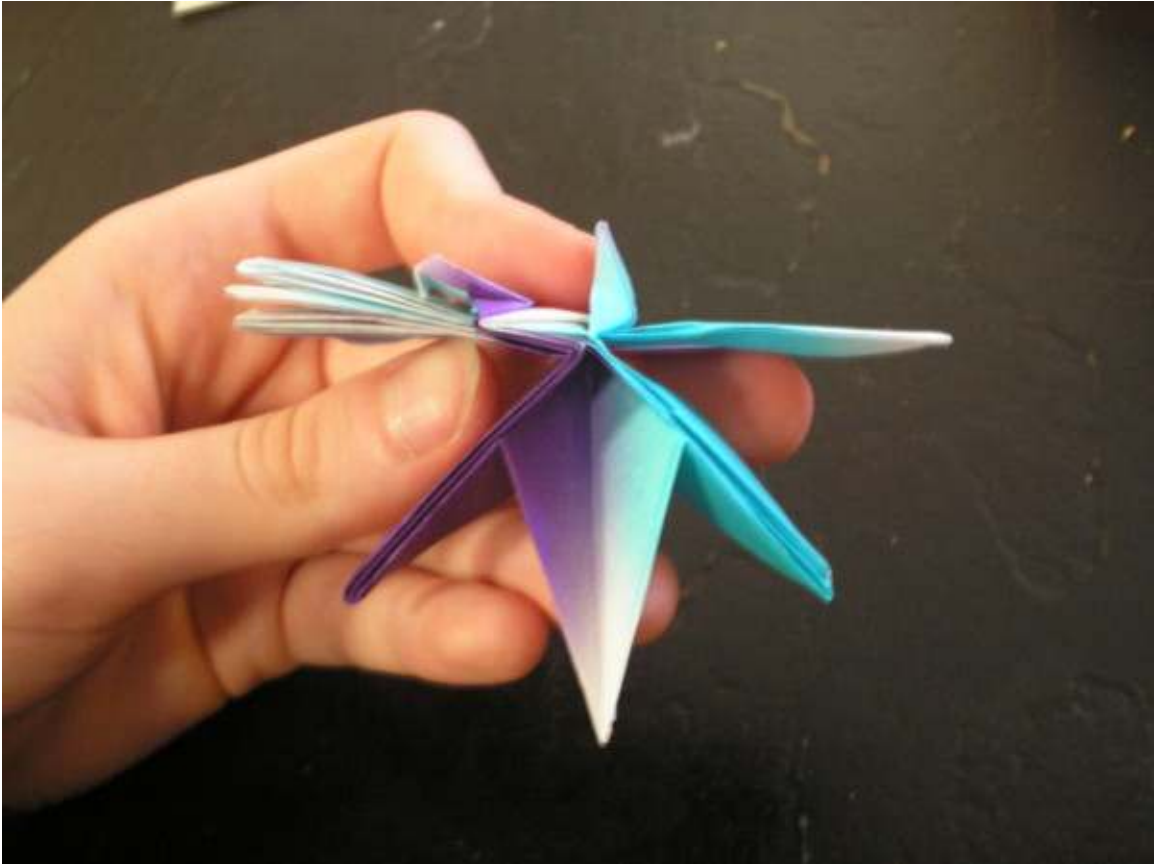

32. Valley fold to form the hair as shown.

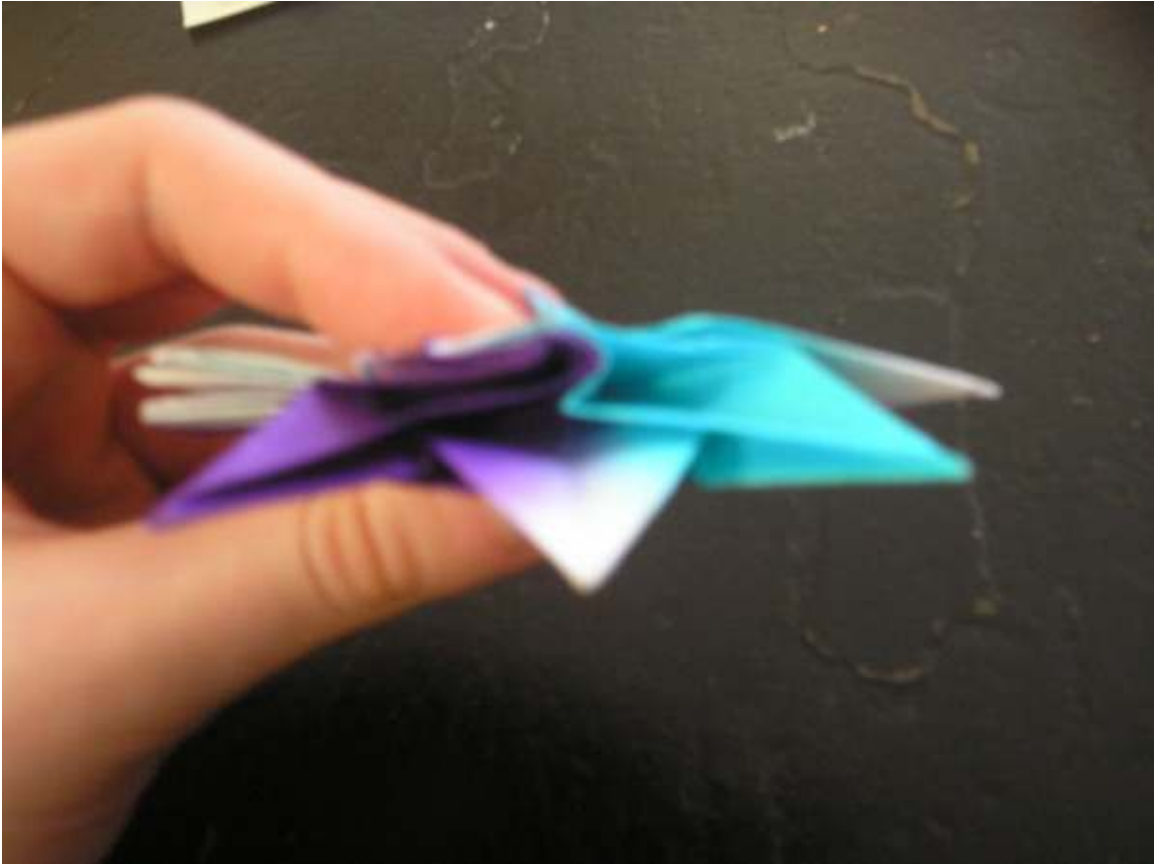

33. Pinch the middle point to form praying hands.

34. Now look at the side. Begin to squash to form the wings.

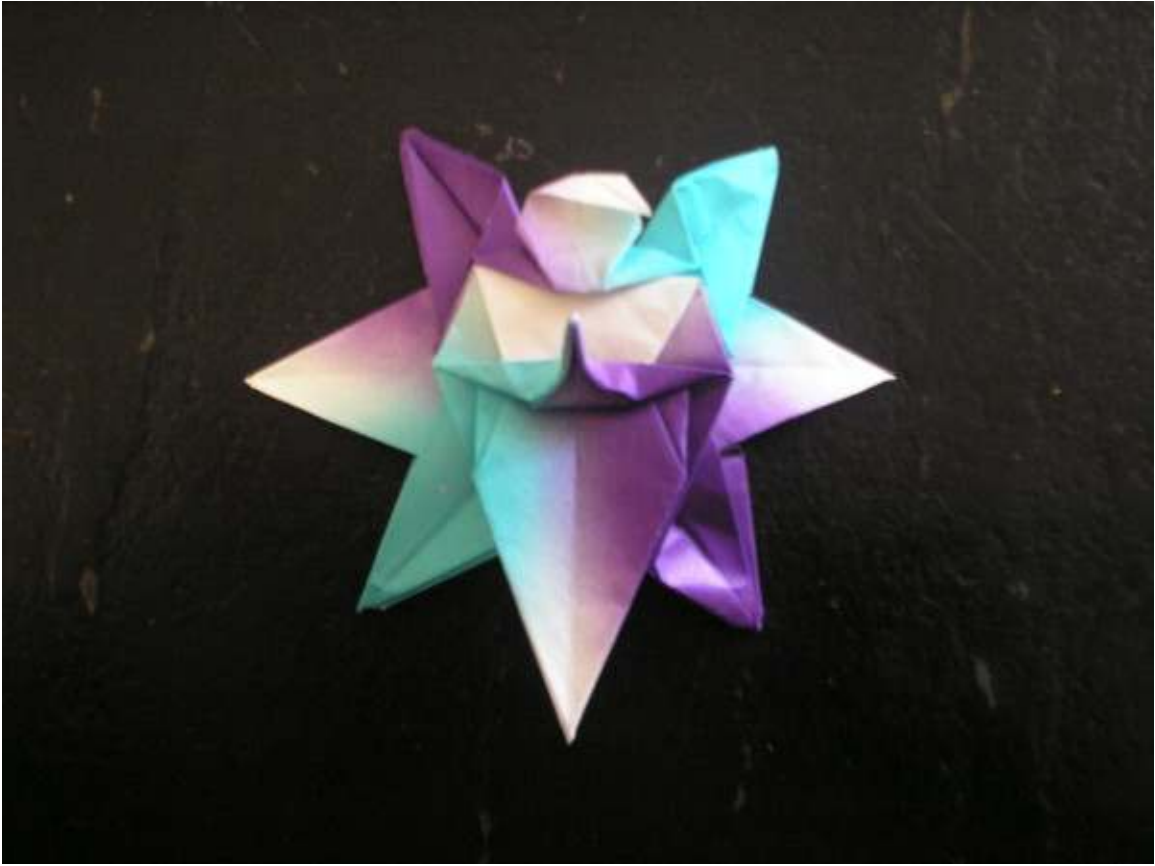

35. The squash complete.

36. The squash from behind.

37. The squash from the front.

38. Repeat the squash on the other side.

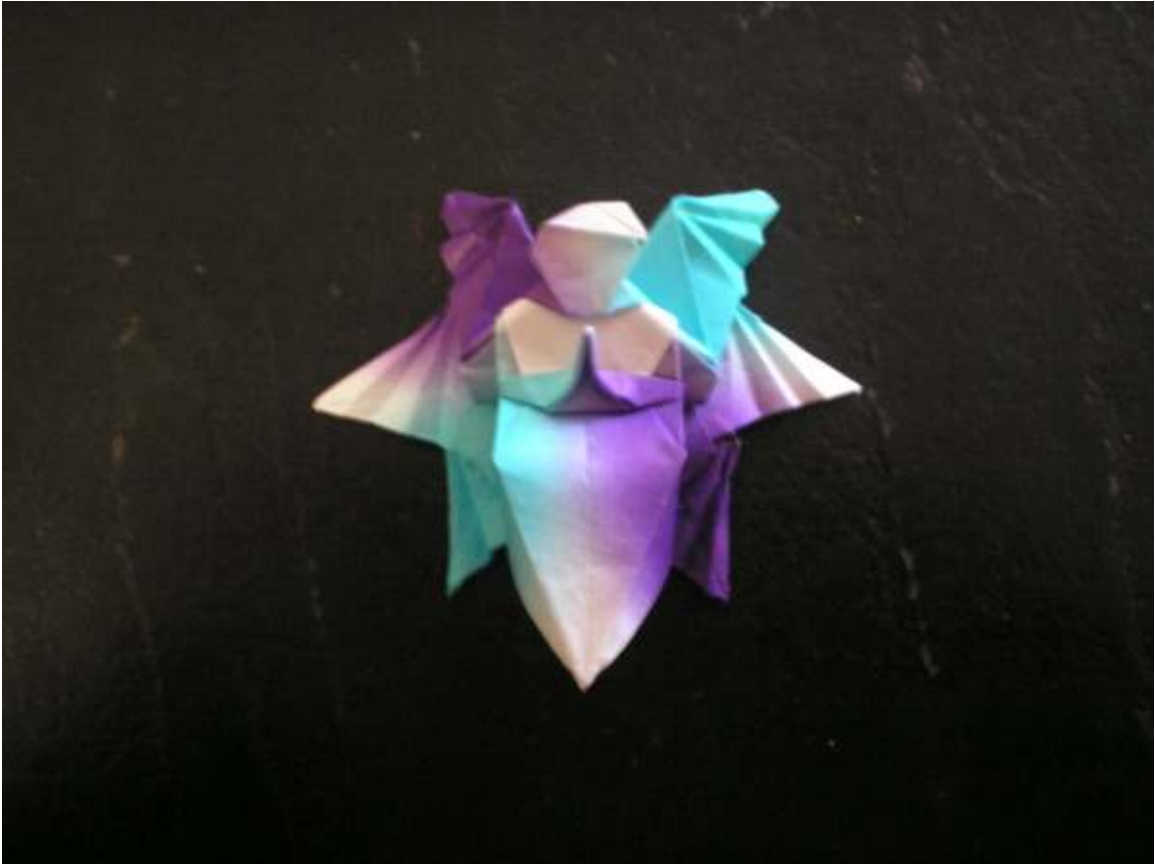

39. Pleat the wings and shape the body to taste.

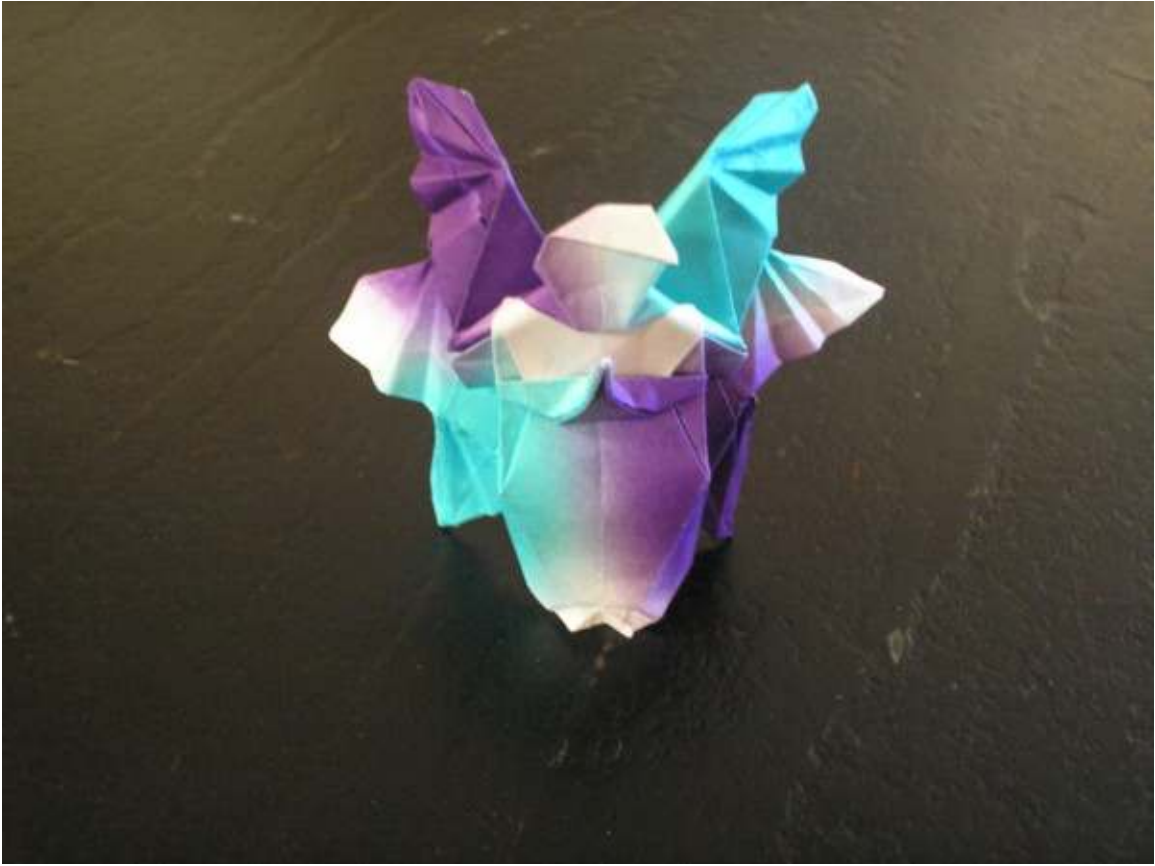

40. Turn the model over and pull out some paper from the bottom point. Repeat on the other side

41. Step 40 complete. Fold the feet to taste and...

42. You have completed the Chibi Seraph!  
Congratulations! :D
